

# SAFER STEPS

support to stay safe from stalking

**Safer Steps is an inclusive service supporting adults and children in West Yorkshire to stay safe from stalking.**

## **Our team provides:**

- Specialist support for various forms of stalking including cyberstalking
- Practical help with safety planning
- Advocacy and liaison between the victim-survivor and agencies like the police
- Signposting to relevant services

Safer Steps is currently only accepting **domestic abuse related stalking referrals**. The service aims to expand in Summer 2026 to support people experiencing all types of stalking.

**Self-referrals can be made via our website or by emailing [support@safersteps.uk](mailto:support@safersteps.uk)**

## What is stalking?

Stalking is a pattern of **fixated, repeated, obsessive and unwanted** behaviour that is persistent, intrusive and causes fear of violence or alarm and distress.

**Self-referrals can be made via our website  
or by emailing [support@safersteps.uk](mailto:support@safersteps.uk)**
